

HOUSING AT HELMSMEN CAMP

GENERAL INFORMATION

Concordia Irvine's dorms are nice and roomy. You will be housed with three other students in one of our suite-style dorms, sharing a bathroom. Rooms are equipped with mini-refrigerators and microwaves. There are no kitchen appliances available during the camp. Laundry facilities are available for a small fee, but you must bring your own detergent.

FAMILY HOUSING

If you are attending camp as a family, we invite you to select "family housing," where you and your family will be assigned a full suite.

RESIDENT SAFETY

Boys and girls are housed in separate sections of the dorm. Additionally, trained staff members act as Resident Assistants, checking to be sure that students adhere to rules and stay safe during camp.

DORM SET UP

The dorms at Concordia will house four students each. Each set of dorms will have their own bathroom, microwave, and mini-fridge.
